The Popular Wheeling Man Will Play with the Wheeling Club

THIS AFTERNOON AGIN' COLUMBUS

A Star Attraction Like This Should Draw Out a Great Crowd to the Last Game on the Island Grounds Until the Latter Part of Next Week. The Wheelings Defeated Columbus Again Yesterday but the Twins also Won and We are Still Second.

Last night Manager White, of the Wheeling ball club, saw "Jack" Glasscock, the popular Wheeling ball player, recently released by Louisville and who will now join the Washingtons, and secured his consent to play at short field for the Wheelings in this afternoon's game with the Columbus team. As Glasscock is the idol of every enthusiast of the town this special attraction should draw one of the best crowds of the season. The Columbus team will be greatly strengthened with the addition of Geheren at short, Conover in the box and Donglass in the field, the players West got from Canton. Everybody should turn out and see the great-

body should turn out and see the great-est short-stop in the land.

The Louisvilles are now sorry they released Glasscock and are trying to get him back to play short and captain and manage the team in place of AlcClos-key, who is to be deposed by the dis-satisfied club officials. "Jack," how-ever, has accepted Washington's terms and will leave for the nation's capital this evening after the game here to-day.

"OURS" WIN ANOTHER

From West's Columbus Aggregation. Wheeling's Hard Hitting-Columbus 1 Strengthening.

The Wheelings made it the sixth straight victory with Columbus yester-day afternoon and didn't half try. "Buck" West, who really deserves better luck, hasn't got the right kind of material around him to buck up against "Onra" and very sensibly he is going to infuse some new blood in his aggregation. He stole a march on White by signing Conover, Geheran and Douglass, of the late Cantons, who will be here today and participate in the last game of the series, Conover going into the box. As in Monday's game the visitors

started off with a good lead in the opening inning, but the Wheelings scored five in the second and were never headed afterwards by the visitors. Kane was in the box for the home team, and from the way the Statesmen treated his delivery in the first it looked as though West's boys would walk away with a victory. Three hits and two bases on balls with a wild throw or two netted them three runs. The visitors hit Kane for two singles in the second, but sharp fielding prevented any run getting. The Wheelings added five more in the third and fourth innings, and in the sixth, seventh and eighth eight more scores were made. started off with a good lead in the open-

seventh and eighth eight more scores were made.

After the second inning Columbus found Kane's delivery very puzzling, with the exception of the eighth, when they scored three runs on three hits and two bases on balls. In the ninth they made two hits, but a neat double play, one of the prettiest of the season, retired the side. Kalkoff's stop was a beauty, and he followed it up with a snap threw to Crotty who quickly got the bell over to first in time to retire the runner.

In the ninth inning Allac Miller, the visitors' clever left fielder, made another circus catch very much like the one he made on Monday afternoon. He received generous applause for his fine work.

The received generous applicable for his fine work.

The wheelings sgain put up a fine fielding game. After the first inning only one error was made by the home team, Davis having opened in the first with two wild throws down to second. Again the Wheelings showed themselves to be as fine a lot of hitters as there is in the later-state league. Donovan was the only man who did not secure a hit. Davis led at the bat with five clean ones out of six times at hat, three of these being two-baggers. Kalkoff, Regan and Grotty were also strictly in evidence with the stick, with three hits aniece. The score:

National League Games.

At Brooklyn — The Brooklyn and Pittsburgh teams both took turns in kicking at Umpire Long in the game played at Eastern Park this afternoon. It grew so bad at one time that Long was forced to "bench" half the Brooklyn nine, and "bench" half the Brooklyn nine, and then wound up by sluing Pitcher Ken-nedy \$25. However, it was not any fault of Long that the home team lost. The Pittsburghs hit Kennedy hard enough in the last two innings to win two ordinary games. Hart was a puzzle when hits were needed. Dallas Secures the Fight Between Pitzshumons and Corbett.

New York, June 4 .- One of the happrest men in this city to-day was Dan Stewart, the representative of the Dallas (Tex.) syndicate organized to secure the Corbett-Fitzeimmone fight for Datlas. Last night Stewart was elected president and treasurer of the Florida president and treasurer of the Florida Athletic Club, which owns, according to the agreement signed by Fitzsimmons and Corbett last year, the right to bring off a puglistic exhibition in which these two worthies will be participants. Stewart and Joe Vendig went to the Gravesend race track this afternoon to see Philip J. Dwyer, the well-known horseman, who has been selected as stakeholder. He carried with him \$7,000, which will cover the \$5,000 guarantee fund that the fight will come off and \$1,000 each for the training expenses of the pugs.

At St. Clairsville Yesterday Was a Gratify-log Success.

The first reunion and outing of the Knights of Pythias of Belmont county, held at St. Clairsville yesterday, was a pronounced, and indeed an unexpected. success. There was estimated to be 5,000 people present. M. Cowen, of Bellaire, was master of ceremonies. The programme was gone through with enjoyable smoothness, and all on the grounds spent a memorably pleasant day. Special trains and private vehicles poured in delegations throughout the fore part of the day.

The Arlington division band opened with music, after which Rev. Mr. Foster offered prayer. The Arlington vocal quartette sang, and N. K. Kennon delivered an address of welcome, which was responded to Jappily by C. J. Howard, of Barnesville. Rev. W. G. Archer, of Columbus, spoke on "Pythianism and the church."

Then followed horse racing, bicycle racing, clay piecon shooting, horse shoe pitching for trains asch. success. There was estimated to be

SUMMER OPERA.

nother Enjoyable Evening at Wheeling

The Robinson Opera Company, which made such an excellent impression on a critical audience at Wheeling Park Casino Monday evening, fully sustained its reputation last night in the bright and snappy opera of "Olivette." The attendance was not as large as it should have been, and it is difficult to find a cause. The company is the most competent and evenly balanced that has been seen in this city for many a day, and with the reputation Wheeling has for its music loving proclivities and culture the failure of the people to appreciate the good things offered by this organization lays that reputation open to serious reflections. The attendance was not as large as it

There is more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and proscribed local remedies, and by constantly failing to care with local treatment, pronounced it incurable.
